More than one billion plastic bags are handed out in Canada every year. They can all be reused and recycled so let's make sure they are!

PLASTIC BAG GRAB challenge

During Earth Week 2018 (April 16-20), schools are challenged to learn and take action on plastics waste by reducing their use, while collecting discarded plastic bags for recycling in their schools and beyond.

A grand prize of **$1,000** will be awarded to one school in each province/territory who best embraces reduce and reuse and best communicates their action to reduce plastic waste in the community.

How it works:

Register online at plasticbaggrab.com by April 13
Learn about plastics waste and the importance of the 3Rs hierarchy
Share how your school community is taking action to reduce plastic bag use and waste on social media using the hashtag **#PlasticBagGrab**
Collect used plastic bags in your community for recycling (optional)
Submit your final results

Visit plasticbaggrab.com to get started!
