## May Newsletter 2018

### Prayer for May

Good and gracious God,

This time of year we think of all the things  
we should be thankful for.

We take a moment today to give thanks for  
the blessings you have given us.

Thank you for our friends, our families, for  
laughter, for sunshine, for the gentle rains,  
and the beautiful skies.

May we always see the blessings in our lives  
and take time to appreciate them all.

Amen

### Principal's Message

The school year is quickly flying by. We cannot believe that we are already entering into May! Welcome to May and another jam-packed month at St. Peter the Apostle Catholic School!

We are extremely proud of our students and the manner in which they involve themselves in a positive way at St. Peter the Apostle. Our St. Peter the Apostle Choir, sports/club team members, student council leaders, announcers, ukulele members, chess players, eco commandos, classroom helpers, and many other groups that make our school extra special. Students and parents help make our school extra special and enjoyable everyday. We enjoy

seeing our students grow both academically and socially as they participate in school life at St. Peter the Apostle. With continued parent and staff support we can ensure that our students gain from these great opportunities. Thank you to the many parents and staff who give of their own time to organize these opportunities.

During the second week in May we will be celebrating our Catholic Education Week. A list of all of the events is included in the May calendar. Please plan on joining us during our Catholic Education Week as we celebrate with a Living rosary presentation on Wednesday May 9th at 12:45 pm in the gym.

Yours in Catholic Education,

Mrs. J. Pender and the Staff of St. Peter the Apostle

### Trustee's Message:

*"For the promise is for you, for your children, and for all who are far away, everyone whom the Lord our God calls to him."*

Acts 2:39

Last week, trustees began the Board Meeting with a prayer that highlighted the theme and daily activities of Catholic Education Week, *Renewing the Promise*. We are looking forward to the celebrations that will take place in

Catholic schools across the province to commemorate the amazing gift of fully-funded Catholic education. This year we are also awaiting a letter from the Assembly of Catholic Bishops of Ontario as they reflect on the future of Catholic Education in Ontario.

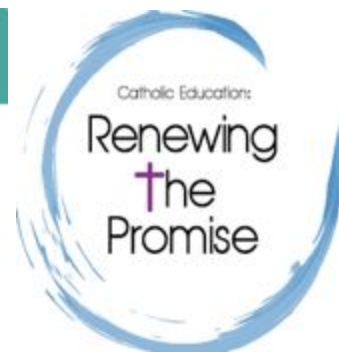

Once again this year the theme song is beautiful! I hope that you will hear your children singing it throughout the week. The chorus is:

*Renew, renew the promise,  
Renew, renew the flame;  
Renew, renew the promise  
To be light for the world  
For the glory of God's name.*

In April, trustees gathered for the Ontario Catholic School Trustee Association Conference and Annual General Meeting. One of the highlights was a presentation by Craig Kielburger, who gave a wonderful presentation about the roots of Me to We, and how they are working to meet the vision of *making doing good, doable*. The work they do is such a good fit with our Board's vision of *nurturing faith, illuminating minds, inspiring hearts, and empowering hands ~ we are working together to transform our world*. I am so proud of everything that staff and students are doing to achieve that vision.

God Bless!

Carol Corriveau-Truchon
